- Elimination of cross contamination
- Reduction of chemical usage & waste
- Rugged construction
- Ergonomic, portable & lightweight designs

Money saving

Green Friendly

Improves safety

Fully Automatic

## 《《《MICRO-SCRUB》》》

Battery-Powered Detail Scrubber

Are you unsure of how to clean hard-to-reach areas? Fas-Trak Industries is proud to announce the MICRO-SCRUB, our battery powered detail scrubber for cleaning small or hard-to-reach areas.

The design is revolutionary; it weighs only 6 lbs. and there is no battery pack to wear! It is ideal for cleaning restrooms, stairways, kitchens, buses, trains and even airplanes!

The MICRO-SCRUB is another innovative product to fill the gaps that larger pieces miss. The puzzle is now complete!

## FAS-TRAK APPLICATIONS

Fas-Trak Industries is a proactive innovative manufacturer of performance related application technology for the maintenance & janitorial industry. Our passion is to create innovative performance solutions by redefining cleaning processes.

Our customer base is a who's who which include Broward County, Houston, and Greenville school systems, Mall of America, US Postal Services Southeast Services and Abbott Labs to name a few.

## FAQ's

**Q.** Can the Micro-Scrub be used for cleaning vertical surfaces?

**A.** Yes. The telescopic handle is easily removed so the tool can be used to clean walls, stair-treads, counter tops, partitions, chairs and upholstery

**Q.** How long does it take to charge the battery?

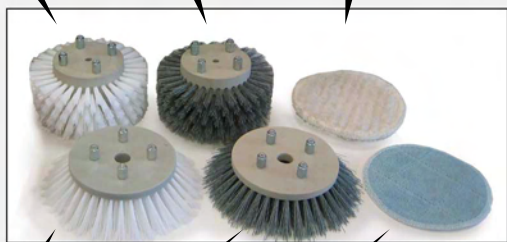

**A.** Charge time is 1.5 hrs and having a spare battery gives you continuous run time.
