## ULTRA-TRAK

5-In-1 Pressurized Application System

Pressured with the lack of productivity? Overwhelmed with shrinking budgets? Burdened with increasing work and decreasing time? Fas-Trak Industries is proud to announce ULTRA-TRAK, the 5-in-1 revolutionary application system! The ULTRA-TRAK system is the most productive, pressurized floor finishing/sealing applicator on the market today.

We had the user in mind when state-of-the-art technology and common-sense engineering were combined to produce the most time efficient 5-In-1 applicator ever. This superior labor saving applicator is designed for all areas where professional quality finish and seal are required.

The MICRO-TRAK, a detail applicator, is included with the purchase of an ULTRA-TRAK system (product is pictured to the left).
